Hi there!!

Welcome to **Paroleco** Language Exchange Club - PLEC 

This is an international language exchange set of groups which was created as a way of letting people from all over the world connect and interact in order to improve whichever language they are learning. Here you will find both people studying as well as natives who will help you with any questions you may have.

História do Paroleco

- Iniciou como um hobby:
 - colecionar amigos pelo mundo 😎
 - aprender idiomas 
- Cresceu 📞 original ❤️
- Ficou um tempo unificado com o Projeto ILE ❤️
- Uma certa 💬 💩 estragou a plataforma! Hora de reavaliar.
- O projeto de Extensão Paroleco foi reformulado. Início de uma nova era no Telegram 

Project Goals

- Encontrar parceiros para estudos de línguas 📚
- Praticar *speaking* 🎤 e *listening* 🎧 com amigos de todo o mundo 🌎
- Conhecer mais sobre outras culturas 🌟
- Compartilhar a cultura do seu país com o mundo 🇧🇷

How does it work?

 3. Paroleco is **not** a dating platform. 
 4. Please avoid any kind of spamming, like advertisements, potentially dangerous links or religious propaganda. 
 5. Whenever you join a new group, please remember to introduce yourself. Say hi! 
 6. New members must talk to an admin and agree with these rules upon joining.

Welcome!

The exchange is based on volunteers like yourself. You join the language group you want to learn and your native language group, so you can teach and give back to the community.

We also ask you to join the main lounge, so you can meet everyone from every group. These are the three (3) minimum groups you should join, but you can join others if you are interested in learning more than one language.

We have groups for every language. You can join whichever one you want, whenever you want, just go for it!

Welcome and have a great time!

Awesome Team
